Warranty Limitations

1. The warranty does not cover damage caused by misuse, lack of maintenance, or lime scale deposits.
2. The manufacturer reserves the right to replace the defective parts with factory or remanufactured parts.
3. The manufacturer is not responsible for any damage caused by alterations or modifications by the user.
4. Radio/Bluetooth reception is not covered by warranty because the reception depends on local conditions. The received signal may deteriorate if there are high voltage lines near the spa.
5. The warranty of the spa does not cover defects, damage or failure caused by the common carrier, installer, user or other persons, pets or rodents, or resulting from, without limitation, any of the following: careless handling (lifting unit by plumbing, abrading finish, etc) including its own negligence; modification of any type for any reason (including modification to meet local codes); improper installation (including installation not in accordance with instructions and specifications provided with the unit); connections supplied by the installer of the equipment; improper voltage supply or unauthorized electrical modification; misuse; incorrect operation; or lack of proper routine maintenance; operation of the unit without specified minimum amount of water or at inappropriate water temperature; use of abrasive or improper cleaners; or acts of God, such as lightening, floods, earthquakes etc.
6. In addition, The manufacturer will not be responsible for incidental or consequential damages or losses arising from any cause (e.g water damage to carpet, ceiling, tiles, marbles, loss of use etc.) including it's own negligence; damages to, respecting or resulting from: plated parts when pool and/or spa chemicals are used in the unit or hard water conditions; optional bath equipment not manufactured by the company but supplied with the dealer, installer or Company; the units prior usage as an operational of display; or defects that should have been discovered before installation.
7. This warranty does not include: labour, transportation of other costs incurred in the removal and/or reinstallation of the original unit and/or installation of a replacement unit; any costs relating to obtaining access for repair; or loss of use damage, including loss of sales, profit or business advantage of any kind under any circumstances. Spa units are excluded of

any warranty coverage if any addition, deletion or modification of any kind whatsoever has been made to the unit (or to any component).

8. The warranty does not cover defects of damage due to normal wear and tear, improper installation, alterations without the manufacturer written consent, accident, misuse, abuse, commercial or industrial use, use of an accessory not approved by the manufacturer, failure to follow the user manual, or repairs made or attempted by anyone other than an authorized representative of the manufacturer.
9. Lime Spas will not provide compensation for delays in rectifying any faulty/broken hot tub issue.

Extent of Warranty

This warranty extends only to the original consumer purchaser of the spa when invoiced and delivered. The warranty terminates upon any transfer of ownership, prior to the expiration of the warranty period.

Any modifications to the spa will void the warranty.

Lime Spas will not provide compensation for delays in rectifying any faulty/broken hot tub issue

For custom orders, most of the time involved is the custom building of the hot tub to your specification; lead times are 8-10 weeks, we aim to deliver all stock items within 2-4 weeks (starting from payment by customer). This can increase in the high season and delivery times quoted are approximate. Lime Spas cannot be held responsible or offer compensation of any kind including factory errors, delays caused beyond our reasonable control (including, without limitation, acts of God, delays pending customs clearance, governmental actions, war or national emergency, acts of terrorism, labour disputes or restraints or delays affecting carriers or inability or delay in obtaining supplies of adequate or suitable materials).
